What is Ignite ?

IGNITE is the flagship technical session series of IIITDM where all technical clubs come together to introduce, teach, and inspire students in various tech domains.

Technical Clubs

Prerequisites

Attend every session, even if you think it's "not your thing."

You never know — today's session might spark a lifelong passion.

Your interest might be hidden in something you've never tried before.

"Interest isn't found — it's discovered"

> Be open. Be curious. Be present.That's all you need to IGNITE.

How Ignite Will be Conducted

- Each club gets a day or slot
- Hands-on sessions / fun challenges / micro-projects
- Sessions are open to all years.
- Certificates & Prizes for active participants
